****

Flatfoot dancing emphasizes a low-to-the-floor foot movement, intricate rhythms, and creative percussive dancir It is a relaxed style that can make the dance look almost effortless. One of the styles that can be characterize as flatfoot is a style that relies heavily on what is called the "Tennessee Walking Step".

4 sounds are obtained from TENNESSEE WALKING STEP rather than 3 from DS. CAN USE TN (Tennessee Walking Step) to REPLACE <u>ANY</u> DOUBLE STEP.
